What is your business niche or target market?

“Everything for outdoor equipment- parts, sales, & service.”

What got you interested in what you do? What made you interested in running your own business?

“It all started at my parents shop in Colorado Springs, Colorado. Outdoor power equipment repair is the only career I have ever done. I have been around small engines my entire life.”

Fun Fact

Dan- “I use to race snowmobiles, Cars & motorcycles; I loved every second of it!”

Callie- “I use to be an early childhood educator.”

Since starting your business what has been your biggest win? Your biggest challenge?

“Our biggest win is starting our business with prayers & the support of family, friends, and our community. With god and a firm foundation all things are possible.

Our biggest challenge was taking the first step. We have always been told: if you do not try, you will never know & if you do not ask the answer will always be no.”

What makes you stand out from your competition?

“We strive to have great customer service, competitive prices, and serving our community with compassion.”

What are your personal goals for your business?

“Our goal is to build a successful business to pass down to our children & their grandchildren, generation after generation.”
